

CURRICULUM VITAE

Silvia Boiocchi, DMV, PhD, GPCert (SAOS), Dipl ECVS

INFORMAZIONI PERSONALI

Email: silvia.boiocchi@gmail.com
Data di nascita: 7 Novembre 1976

ISTRUZIONE E QUALIFICHE

Febbraio 2020 Diploma ECVS (European College Veterinary Surgeon)

Ottobre 2019 General Practitioner Certificate in Small Animal Orthopaedic Surgery,
GPCert (SAOS)

Dicembre 2006 Dottorato in Scienze Cliniche Veterinarie presso L'Università degli studi
di Milano Curriculum in "Ortopedia e traumatologia dei piccoli
animali" (Novembre 2002 – Novembre 2006)
Tesi: *"Lesioni teno-legamentose della spalla del cane: esperienza
personale in 5 anni (2001-2006).*

1995-2002 Facoltà di Medicina Veterinaria, Università degli Studi di Milano
DMV – 8 Luglio 2002
Tesi: *"Instabilità Atlanto-Assiale: presentazione clinica, diagnosi e
opzioni terapeutiche."*
Voto finale: 106/110

SPECIFIC TRAINING PROGRAMME

10/08– 07/13 Standard Residency Programme in chirurgia dei piccoli animali
Clinica Veterinaria Vezzoni, Cremona (Supervisor Aldo Vezzoni DECVS)
Ospedale Veterinario Gregorio VII, Roma (Supervisor Matteo Tommasini
Degna DECVS)

Gennaio 2008 Gulf Coast Veterinary Specialists, Houston, Texas
Training in ortopedia ed artroscopia sotto la supervisione del Dr. Brian
Beale (DVM, DACVS)

-
- Novembre/Dicembre 2007 College of Veterinary Medicine, University of Florida, Gainesville
Training in ortopedia dei piccoli animali sotto la supervisione del Dr. Antonio Pozzi (DVM, DACVS)
- Giugno 2007–Gennaio 2013 Ospedale Galeazzi, Milano
Training in artroscopia della spalla presso il Dipartimento di Ortopedia Prof Taverna, Dott Perfetti
- Gennaio/Febbraio 2006 Oakland Small Animal Veterinary Clinic
Newry, Northern Ireland, UK
Training in medicina sportiva e chirurgia dei piccoli animali sotto la supervisione del Dr. Alessandro Piras
- Febbraio 2003–Ottobre 2006 Dipartimento di Salute Animale, Sezione di Chirurgia
Facoltà di Medicina Veterinaria, Parma
Training in artroscopia dei piccoli animali sotto la supervisione del Prof. Filippo Maria Martini

ESPERIENZE LAVORATIVE

- 2020 - presente CVT (Torino)
- 2008 - presente Clinica Veterinaria Vezzoni (Cremona)
- 2018 - presente Collaborazione per artroscopie (Clinica Veterinaria Malpensa - Samarate - VA)
- 2010 – 2015 Collaborazione per la sezione di ortopedia del sito “Vetpedia”
- Gennaio/Novembre 2007 Università degli studi di Milano, Facoltà di Medicina Veterinaria, Dipartimento di Chirurgia dei piccoli animali.
Consultant of research, teaching and performing orthopaedics. Theme of the research: “*Arthroscopic and tomographic assessment of elbow joint dysplasia in dogs*”
- 2004 – 2008 Coordinatore editoriale “*Atlante Ortopedico – BOA (Breed Oriented Approach)*” Autori: Mortellaro C.M., Petazzoni M., Vezzoni A. Ed. Innovet, Italy.

PREMI E BORSE DI STUDIO

- 2012 Best poster (16th ESVOT Congress, 12-15 Settembre 2012, Bologna)
- 2007 Borsa di Studio per training specifico in Ortopedia ed Artroscopia (Fondazione Banca del Monte di Lombardia, Pavia)

CLINICAL AND RESEARCH INTERESTS

Ortopedia, ortopedia felina, artroscopia, medicina sportiva e del cane da lavoro

PUBBLICAZIONI: articoli

Vezzoni A., Vezzoni L., **Boiocchi S.**, Miolo A., Holsworth IG. “A modification of the Cheli craniolateral approach for minimally invasive treatment of osteochondritis dissecans of the shoulder in dogs: description of the technique and outcome in 164 cases” VCOT 2020

LIBRI e ATLANTI

Boiocchi S., Capitolo “Displasia del Gomito nel cane” in Tommasini Degna M.: *Ortopedia del cane e del gatto*. Poletto Editore, 2011

Coordinatore editoriale “*Atlante ortopedico – BOA (Breed Oriented Approach)*” Autori: Mortellaro C.M., Petazzoni M., Vezzoni A. Editorial coordinator: **Boiocchi S.** Ed. Innovet, Italy

ESPERIENZE DIDATTICHE - Presentazioni

2020

- Scivac Rimini Web, webinar “Al mio cucciolo hanno diagnosticato una forma di displasia del gomito, possiamo aspettare l’anno di età per l’intervento?” 19 Maggio 2020

2019

- AOVET Master “Course on advanced corrective osteotomies for front limb deformities”. Cremona, Palazzo Trecchi 28-30 March, 2019 (Instructor)
- “*Bi-oblique ulnar dynamic osteotomy: clinical cases and personal opinions*” AAG 2019 (Advanced Arthroscopy Group) Catania 26-27 Aprile, 2019
- “*Proiezioni per lo studio radiografico precoce per la diagnosi di displasia del gomito*”, “*Diagnostica radiografica precoce per la Displasia del gomito*”, “*Opzioni chirurgiche come trattamento precoce per la Displasia del gomito*”, “*Risultati e complicanze dopo il trattamento della displasia del gomito*” Corso di Ortopedia SCIVAC/ESVPS: “Diagnostica precoce per la Displasia dell’anca e del gomito” Cremona Palazzo Trecchi 22-23 Novembre 2019

2018

- *“Patologie ortopediche del gatto: casi clinici”, “Le più comuni patologie ortopediche del gatto”* SCIVAC/ESVPS Itinerario di medicina interna del gatto. Prima parte: “Introduzione alle patologie e approccio orientato al problema” Cremona, Palazzo Trecchi 31 Gennaio - 3 Febbraio, 2018
- *“Patologie della spalla del cane adulto”, “Patologie del carpo e del tarso nel cane in accrescimento”, “Patologie teno-legamentose del cane sportivo”, “Patologie dell’anca nel cane in accrescimento”, “Patologie ortopediche del ginocchio del cane in accrescimento”, “Patologie del gomito nel cane in accrescimento”*. SCIVAC/ESVPS Itinerario di Ortopedia “Orthopaedic examinations and orthopedic conditions” Cremona, Palazzo Trecchi 21-25 Febbraio 2018
- *“OCD della spalla”* incontro SIOVET: “La spalla: è ancora un’articolazione sconosciuta?”. Cremona, Aprile 8-9, 2017
- *“Uncommon cases of elbow dysplasia”* AAG (Advanced Arthroscopy Group) meeting, 24-26 May 2018, Retz (Austria)
- *“Trattamento precoce della displasia del gomito”, “Necrosi asettica della testa del femore”* FSA (Fondazione Salute Animale) 8-10 Giugno 2018, Palazzo Trecchi, Cremona
- *“Displasia dell’anca nel gatto”, “Artrosi nel gatto”, “BOA (Breed Oriented Approach) per il gatto”, “Le più comuni patologie non traumatiche nel gatto” e “Patologie ortopediche metaboliche e nutrizionali nel gatto”* 3rd edizione del master per allevatori felini, III parte Palazzo Trecchi, Cremona 8-9 Settembre 2018
- Arthroscopy International Course, Palazzo Trecchi, Cremona 14-16 Novembre 2018 (**Direttore del corso**) *“Surgical treatment of shoulder joint conditions”, “Surgical treatment of elbow joint pathologies”*
- *“Radiographic projection for ED screening”, “Radiographic evaluation of early diagnosis of ED”, “Surgical option for ED treatment”, “Results and complications after ED treatment”* SCIVAC/ESVPS (European School of Veterinary Postgraduate Study) Orthopaedic course: “Early diagnosis of HD and ED in puppies” Cremona Palazzo Trecchi 22-23 November 2018

2017

- AO international masterclass course on advanced corrective osteotomies for front limb deformities. Palazzo Trecchi, Cremona, 27-29 March 2017 (*Table instructor*)
- AO international masterclass course on advanced corrective osteotomies rear limb and patellar luxation. Palazzo Trecchi, Cremona, 30 March - 1 April 2017 (*Table instructor*)
- *“Multimodal approach for infections prevention in orthopedic surgery”* SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Critical decisions in orthopedics”. Cremona, Italy. April 8-9, 2017

- *“Early treatment of elbow dysplasia”, “Avascular necrosis of the femoral head”* at the FSA (Fondazione Salute Animale) - (Animal Wellness Foundation) 9-11 June 2017, Palazzo Trecchi, Cremona
- *“Multimodal approach for prevention of infection in orthopedic surgery”, “Shoulder instability and biceps pathologies in sporting dogs”, “Early diagnosis of elbow dysplasia”, “Our approach to juvenile elbow dysplasia”, “PAUL vs conservative management as treatment of elbow dysplasia in adult dogs”, “2 approaches for shoulder OCD treatment”* 6th BAVOT Annual Congress (Bulgarian Association of Veterinary Orthopaedics and Traumatology) Sofia, Bulgaria. November 18-19, 2017
- *“Shoulder pathologies in adult dogs”, “Carpal and tarsal diseases in young dogs”, “Tenoligamentous injuries in sporting dogs”, “Hip diseases in young dogs”, “Orthopaedic conditions of the stifle in young dogs”, “Elbow conditions in young dogs”, “Joints and bone segment pathologies”*. Basic Orthopaedic course”, SCIVAC/ESVPS, 24-25 November 2017, Palazzo Trecchi, Cremona, Italy

2016

- SCIVAC Double Pelvic Osteotomy Course. Cremona Italy. February 27-28, 2016. *(Instructor)*
- *“Feline hip dysplasia”, “Osteoarthritis in feline patients”, “BOA (Breed Oriented Approach) for cats”, “Most common non traumatic orthopaedic injury in cats” and “Metabolic and nutritional orthopaedic diseases in cats”* Master for feline breeders (ANFI), 11-16 June 2016, Palazzo Trecchi, Cremona
- Advanced course for patella luxation and update on HD ED screening, Palazzo Trecchi, Cremona 18 June, 2016 *(Instructor)*

2015

- SCIVAC Double Pelvic Osteotomy Course (DPO). Cremona Italy. February 28 – March 1, 2015. *(Instructor)*
- *“Complications of surgical treatment for elbow dysplasia”* SIOVET (Italian Society Of Veterinary Orthopedic and Traumatology), Cremona 18-19 April, 2015
- *“Early treatment of elbow dysplasia”, “Avascular necrosis of the femoral head”* at the FSA (Fondazione Salute Animale) - (Animal Wellness Foundation) June 2014, Palazzo Trecchi, Cremona
- Lecture on *“Early diagnosis for HD and ED as preemptive approach”* SIOVET (Italian Society Of Veterinary Orthopedic and Traumatology), Cremona 10-11 October, 2015
- *“Shoulder pathologies in adult dogs”, “Carpal and tarsal diseases in young dogs”, “Tenoligamentous injuries in sporting dogs”, “Hip diseases in young dogs”, “Orthopaedic conditions of the stifle in young dogs”, “Elbow conditions in young dogs”, “Joints and bone segment pathologies”*. Basic Orthopaedic course”, SCIVAC, 14-17 October, 2015, Palazzo Trecchi, Cremona, Italy

- *“Early diagnosis of elbow dysplasia”, “Early treatment of elbow dysplasia”* SCIVAC Orthopaedic course: “Early diagnosis of HD and ED in puppies” Cremona Palazzo Trecchi November 14-15 2015

2014

- *“Feline hip dysplasia”, “Osteoarthritis in feline patients”, “BOA (Breed Oriented Approach) for cats”, “Most common non traumatic orthopaedic injury in cats” and “Metabolic and nutritional orthopaedic diseases in cats”* Master for feline breeders, 15-16 April 2014, Palazzo Trecchi, Cremona
- AO Master class course on advanced corrective osteotomies: rear limb and patella luxation, 19-21 May 2014, Palazzo Trecchi, Cremona, Italy (*Instructor*)
- *“Bioblique ulnar osteotomy as a treatment option for elbow dysplasia in young dogs”*, 83° Annual SCIVAC meeting, 29 May – 1 June 2014 Rimini
- *“Early treatment of elbow dysplasia”, “Avascular necrosis of the femoral head”* at the FSA (Fondazione Salute Animale) - (Animal Wellness Foundation) June 2014, Palazzo Trecchi, Cremona
- Arthroscopy practical course, Palazzo Trecchi Cremona, 24-25 November 2014 (*Instructor*)

2013

- *“Shoulder joint diseases”, “Cranial and caudal cruciate ligament rupture”* Orthopaedic seminar, 21 January 2013 Veterinary University of Milan, organized by Innovet
- *“Shoulder pathologies in adult dogs”, “Carpal and tarsal diseases in young dogs”, “Tenoligamentous injuries in sporting dogs”, “Hip diseases in young dogs”, “Orthopaedic conditions of the stifle in young dogs”, “Elbow conditions in young dogs”, “Joints and bone segment pathologies”. Basic Orthopaedic course”,* SCIVAC, 6-9 March, 2013, Palazzo Trecchi, Cremona, Italy
- *“Orthopaedic examination of the forelimb”, “Orthopaedic examination of the rearlimb”, “Pediatrics orthopaedic clinical cases”, “Early treatment of elbow dysplasia”* Serbian orthopaedic meeting, Belgrade 6-7 April 2013
- *“Congenital elbow luxation in toy breed dogs” and “Physeal diseases in toy breed dogs”* during SIOVET meeting “Orthopaedic of toy breed dogs” Palazzo Trecchi, Cremona, Italy, 13-14 April 2013
- *“Early treatment of elbow dysplasia” and “Treatment of stifle OCD with OATS”*, during a meeting “Osteochondrosis and surroundings” May 2013, DEMAS Roma
- *“Early treatment of elbow dysplasia”, “Avascular necrosis of the femoral head”* at the FSA (Fondazione Salute Animale) - (Animal Wellness Foundation) June 2013, Palazzo Trecchi, Cremona

2012

-
- *“Treatment of Patella luxation in young dogs”* during SIOVET meeting “All about patella luxation” 10-11 March 2012, Palazzo Trecchi, Cremona, Italy
 - Instructor in “Basic arthroscopy course” 12-13 November 2012, SCIVAC, Palazzo Trecchi Cremona, Italy
 - Instructor in “International AO Master class on patella luxation”, 15-17 October 2012, SCIVAC, Palazzo Trecchi, Cremona, Italy
 - *“Hip dysplasia in cats”, “Early diagnosis of elbow dysplasia”, “Treatment options for elbow dysplasia”, “Avascular necrosis of the femoral head”* during FSA (Fondazione Salute Animale) - (Animal Wellness Foundation) course, 29 June to 1 July 2012, Palazzo Trecchi, Cremona, Italy

2011

- *“Orthopaedic conditions of the stifle in young dogs”, “Elbow conditions in young dogs”*. “Basic Orthopaedic course”, SCIVAC, 23-26 February 2011, Palazzo Trecchi, Cremona, Italy
- *“Revision of extracapsular surgical techniques for cranial cruciate ligament treatment in dogs”*, SIOVET meeting 12-13 March 2011, Palazzo Trecchi, Cremona, Italy

2010

- Lecture on “Books and scientific journals of interest for veterinary orthopaedic” SIOVET meeting, 27-28 November 2010, Palazzo Trecchi, Cremona, Italy
- Faculty in “All about Cruciate” International Workshop, January 25th to 28th 2010, Cremona, Italy
- Seminar “Orthopaedic conditions of working dogs” October 16, 2010

2009

- Faculty in “All about cruciate” Cranial Cruciate National Workshop, January 26th to 29th 2009, Cremona, Italy
- *“Palliative surgery for osteoarthritis”* during “Multimodal approach for osteoarthritis” SIOVET Meeting, November 21-22, 2009, Palazzo Trecchi, Cremona, Italy
- *“Hip dysplasia in cats”* and *“Metabolic and nutritional orthopaedic disorders in cats”* during “Feline orthopaedic and traumatology” SIOVET Meeting, March 21-22, 2009, Palazzo Trecchi, Cremona, Italy
- *“Hip dysplasia in cats, early diagnosis of hip dysplasia in dogs, pathogenesis and diagnosis of elbow dysplasia, avascular necrosis of the femoral head”* at the FSA (Fondazione Salute Animale) - (Animal Wellness Foundation) June 2008, Palazzo Trecchi, Cremona

2008

- *“Geriatric shoulder”* during “Geriatric orthopaedics” SIOVET Meeting, November 8th -9th, 2008, Palazzo Trecchi, Cremona, Italy

2007

- *“Common and uncommon causes of DJD in the shoulder joint”* at the veterinary congress AIVPA – SITOV (Italian veterinary society) theme of the meeting “DJD: a pathology for all the ages”
- *“Fracture of lateral trochlear ridge of the talus in 2 Rottweilers”* LXI National annual meeting SISvet (Italian Society of Veterinary Surgeon), Salsomaggiore Terme 26-29 September 2007

Co-mentor in 5 graduation thesis

February 2007 *“Comparison between arthroscopic and CT appearance of elbow dysplasia in dogs: 30 clinical cases”*

February 2007 *“Tenoligamentous injuries of the shoulders: literature review”*

February 2007 *“TPLO (tibial plateau levelling osteotomy): literature review and 10 clinical cases”*

May 2007 *“Arthroscopy of the elbow joints, long term follow-up in 35 cases”*

October 2007 *“Meniscal injuries in dogs: literature review”*

2006

- *“Physiology and physiopathology of bone and joints”* at the Veterinary congress CVM (Italian veterinary society) theme of the meeting “Orthopedic course”

2004

- *“Fractures physiopatology”* at the Veterinary course CVM (Italian veterinary society), theme of meeting “Fracture repair”
- *“Thermal capsulorrhaphy as treatment option for Shoulder joint instability”*
Second International Meeting of the Arthroscopy Working Group of ESVOT (European Society of Veterinary Orthopaedic and Traumatology), University of Munich, 9 September 2004. 12th ESVOT congress, University of Munich, 10-12 September 2004
