

CURRICULUM VITAE

NAME:

Luca Vezzoni

ADDRESS:

Via Delle Vigne 190
I-26100 Cremona
Italy
email: luca@vezzoni.it
Work phone: ++39 0372 23451
Fax: ++39 0372 20074

DATE & PLACE OF BIRTH:

September 16, 1980, Cremona, Italy

EDUCATION:

Degrees:

- High school degree: Liceo Linguistico. July 1999
- Degree in Veterinary Medicine, 27th September 2005, Veterinary School of the University of Parma
- State Board examination, 11th November 2005, Veterinary School of the University of Parma.
- Diplomate of the European College of Veterinary Surgeons (ECVS), 4th February 2019
- General Practitioner Certificate in Small Animals Orthopedic Surgery, 9th October 2019

Continuing Education:

- SCIVAC International Multisession Congress, Rimini 2006
- ESVOT Congress, Munich, September 8-10, 2006
- AO Internal Fixation Basic Course, Scivac, Cremona October 18-21, 2006
- 1st Education itinerary on soft tissue surgery – 3rd part: Urogenital surgery. SCIVAC, Cremona January 23-26, 2007
- 1st Education itinerary on orthopaedics- 4th part: Physical examination and orthopaedic & traumatology diseases. SCIVAC, Cremona February 27- March 1, 2007
- Distal extremities surgery and traumatology course. SCIVAC, Cremona May 16-19, 2007
- SCIVAC International Multisession Congress, Rimini 2007
- SIVAL Microsurgery course, Cremona, Italy, October 17-19, 2007
- Orthopaedic surgery AO advanced course, Cremona, Italy, October 31- November 3, 2007
- SIOVET (Italian veterinary orthopaedic society) meeting, Cremona, Italy, March 1-2, 2008
- SCIVAC diagnostic imaging course: Radiology of the skeleton, Cremona, Italy, March 17-19 2008
- Kyon Symposium 2008, Zurich, Switzerland, April 19, 2008

- Workshop ALPS (Advance Locking Plate System) Kyon, Zurich, Switzerland, April 20, 2008
- Orthofun SIOVET 2008, Perugia, Italy, April 25-27 2008
- 59th International SCIVAC Multisession Congress, Rimini, Italy, May 30- June 1, 2008
- SCIVAC Workshop on Forelimb angular deformities, Rimini, Italy, May 31, 2008
- SCIVAC External fixation course, Cremona, Italy, June 5-7, 2008
- ECVS Annual Scientific Meeting, Basel, Switzerland, July 10-12, 2008
- VA3 Veterinary Advanced Arthrology Association Symposium & Laboratory, Arthrex, Naples, FL, USA, August 21-22, 2008
- ESVOT Advanced TPLO Seminar, Munich, Germany, September 11, 2008
- ESVOT Congress 2008, Munich, Germany, September 12-14, 2008
- SCIVAC Skin reconstructive surgery course, Cremona, Italy, September 18-20, 2008
- SIOVET (Italian Society of Veterinary Orthopedics and Traumatology) meeting on "Orthopedics of Geriatric Patient". Cremona, Italy. November 8-9, 2008
- FSA (Animal Health Foundation): "Advanced course on patellar luxation diagnosis". Cremona, Italy. November 23, 2008 (Presenter)
- SCIVAC Surgery of the liver, advanced course. Cremona, Italy, November 3-4, 2008
- SCIVAC Advanced diagnostic imaging of the musculoskeletal system course. Cremona, Italy, December 11-13, 2008
- SCIVAC Advanced intensive course on surgery of canine cranial cruciate ligament. Cremona, Italy, January 26-29, 2009 (Presenter)
- SIONCOV (Italian Society of Veterinary Oncology) meeting on palliative surgery. Cremona, Italy. January 31st, 2009
- 36th Annual Conference of Veterinary Orthopedic Society. Steamboat Springs, Colorado, USA. February 28-March 6, 2009 (Presenter)
- SIOVET meeting on "Feline orthopedics". March 21-22, 2009
- SCIVAC Advanced workshop on TPLO. May 29, 2009 (Presenter)
- SCIVAC 62th International Congress. Rimini, Italy. May 29-31, 2009
- FSA (Animal Health Foundation): "Hip and Elbow Dysplasia Course". June 13-14, 2009 (Presenter)
- SICV (Italian Society of Veterinary Surgery) "XIV National Congress". Parma, Italy. June 19, 2009
- ECVS 18th Annual Scientific Meeting. Nantes, France. July 2-4, 2009. Presenter: "Complication of Kyon THR in growing dogs VS adult dogs".
- SCIVAC Articular and periarticular surgery advanced course. Cremona, Italy. October 14-16, 2009
- SCVI (Italian Society of Veterinary Surgery) National meeting, Cremona, Italy. October 17-18, 2009
- AO Vet Masterclass Course: Advanced corrective osteotomies, Cremona, Italy. November 4-7, 2009
- SIOVET (Italian Society of Veterinary Orthopedics and Traumatology) meeting on "Multimodal approach to osteoarthritis" Cremona, Italy. November 21-22, 2009. (Presenter: Free communication, "Pancarpal arthrodesis with palmar plating, preliminary experience")
- SCIVAC International wetlab "All About Cruciate" , Cremona, Italy. January 25-28, 2010. (Presenter)
- SCVI (Italian Society of Veterinary Surgery) meeting on "Perineal and anal surgery". Cremona, Italy. February 6-7, 2010.
- SINVET (Italian Society of Veterinary Neurology) meeting on "Disc herniation treatment". Cremona, Italy. February 27-28, 2010
- SIOVET (Italian Society of Veterinary Orthopedics and Traumatology) meeting on "Implants in orthopaedics and traumatology". Cremona, Italy. March 13-14, 2010 (Presenter: "ALPS, advanced locking plate system: principles, application technique and errors")
- SCIVAC Gastrointestinal surgery course. Cremona, Italy. April 13-16, 2010.

- SCIVAC International Multisession Congress. Rimini, Italy. May 28-30, 2010 (Presenter: THR in growing dogs: higher risk than in adults?)
- SCIVAC Workshop on CT applied to surgery. Rimini, Italy. May 28, 2010.
- SCIVAC Arthroscopy workshop. Rimini, Italy. May 29, 2010.
- SCIVAC TPLO Workshop. Rimini, Italy. May 30, 2010 (Practical instructor)
- University of Vienna “Mega journal club” organized by Prof. Gilles Dupré. Vienna, Austria. June 11, 2010-07-25
- ECVS Annual Scientific Meeting, Helsinki, Finland. July 1-3, 2010
- World Veterinary Orthopedic Congress(WVOC), Bologna, Italy. September 15-19, 2010
- WVOC: SOP plates workshop and drylab. Bologna, Italy. September 15, 2010
- WVOC: Precongress seminar on canine sport medicine. Bologna, Italy. September 15, 2010
- WVOC: Biomedtrix in depth seminar. Bologna, Italy. September 17, 2010
- WVOC: In depth seminar on distal limb trauma. Bologna, Italy. September 18, 2010
- SCVI (Italian Society of Vet. Surgery) meeting on: Introduction to mini-invasive surgery. Cremona, Italy. September 25, 2010
- SCVI (Italian Society of Vet. Surgery) annual meeting: Abnormal fluid in abdominal cavity. Cremona, Italy. September 26, 2010
- SCIVAC Course on Ilizarov Circular External Fixation Methods, Cremona, Italy. October 10-12, 2010
- Kyon Symposium: Innovation in veterinary orthopedics and trauma, Zurich, Switzerland. October 13-14, 2010
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting on: Practice management in veterinary orthopedics. Cremona, Italy. November 27-28, 2010
- SCIVAC Course: Course on surgery of urogenital and respiratory systems, Cremona, Italy. January 18-21, 2011
- Merial Symposium on: Medical and surgical oncology. Andalo, Italy. February -5, 2011
- SCVI (Italian Society of Vet. Surgery) meeting on: Herniae in dogs and cats. Cremona, Italy. February 6, 2011
- SCIVAC Course: Communication strategies, Cremona, Italy. February 17-18, 2011
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: Revision strategies in failures of orthopedic surgeries. Cremona, Italy. March 12-13, 2011 (Presenter: Revisions of luxations in THR)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) Orthofun congress: Speaker Daniel Koch. April 29-May 1, 2011
- AO Master Course on Distal Extremities. Cremona, Italy. May 12, 2011 (Presenter: Pancarpal arthrodesis with palmar surface plating, surgical technique and clinical experience)
- SCIVAC International Multisession Congress. Rimini, Italy. May 27-29, 2011 (Presenter: Asepsis in surgical theatre and patient’s preparation)
- SCIVAC Workshop on Elbow Dysplasia. Rimini, Italy May 27, 2011
- SCIVAC Soft tissue surgery workshop: “Where is the limit in surgical oncology?”. Rimini, Italy. May 28, 2011
- Biomedtrix Total Knee Replacement Course. Liverpool, Great Britain. June 3, 2011
- ECVS Annual Scientific Meeting. Ghent, Belgium. July 7-9, 2011
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Simple and complex fractures: surgical and conservative management”. Padova, Italy. October 8-9, 2011 (Presenter: Non surgical management of simple fractures)
- ACVS (American College of Veterinary Surgeons) annual meeting. Chicago, USA. November 1-5, 2011.
- ACVS Practical workshop: Helica THR & GenuSys TKR workshops. Chicago, USA. November 4, 2011
- SCVI (Italian Society of Vet. Surgery) meeting on: Surgery of the liver. Cremona, Italy. February 18, 2012
- SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. February 22-24, 2012 (Presenter)

- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “All about patellar luxation”. Cremona, Italy. March 10-11, 2012 (Presenter: Use of the patellar groove prosthesis in chronic patellar luxation cases)
- Meeting of the veterinary association of Brescia city on pediatric surgery. Brescia, Italy , April 22, 2012 (presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) Orthofun congress: Speaker Noel Fitzpatrick. Rome, Italy May 24-27, 2012
- ECVS Annual Scientific Meeting. Barcelona, Spain. July 5-7, 2012
- ESVOT Congress 2012, September 13-15, 2012 Bologna, Italy
- SCVI (Italian Society of Vet. Surgery) meeting on: Reconstructive surgery. Cremona, Italy. September 22-23, 2012
- AO Master Course on Patellar Luxation. Cremona, Italy. October 15-17, 2013 (Instructor at wetlabs and drylabs)
- SCIVAC Course: Research methods, study design and results. Cremona, Italy. October 23-24, 2012
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “What’s new about elbow dysplasia?”. Cremona, Italy. November 10-11, 2012
- Kyon Total Hip Replacement course. Munich, Germany December 1-2, 2012 (Presenter)
- 40th Annual Conference of Veterinary Orthopedic Society. Canyons Resort, Park City, Utah, USA. March 9-16, 2013
- VOS Biomedtrix Drylab on “Exposure to the Biomedtrix Micro THR System and New Updates”, Canyons Resort, Park City, Utah, USA. March 11, 2013
- VOS KYON Drylab on “Corrective osteotomies with Advanced Locking Plate System and Patellar Groove Replacement (PGR) in dogs. (Presenter: “PGR – rationale, surgery, clinical outcomes”). Canyons Resort, Park City, Utah, USA. March 15, 2013
- SCVI (Italian Society of Vet. Surgery) meeting on: Portosystemic shunt. Cremona, Italy. April 6-7, 2013
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: Toy breed dogs orthopedics and traumatology”. Cremona, Italy. April 13-14, 2013 (Presenter: “Arthrodesis in toy breed dogs”, “Preliminary experience with the use of BMPs in traumatology”)
- ECVS Annual Scientific Meeting. Rome, Italy. July 4-6, 2013 (Presenter, short communication: “Use of the Kyon revision cup for treatment of acetabular cup loosening: surgical technique and clinical application in 30 cases”)
- SCIVAC national congress “Rational approach to the orthopaedic patient”. Montesilvano (PE), Italy. September 20-22, 2013. (Presenter: -Use of bandages in fracture treatment. –Breed oriented orthopaedic approach. –Early diagnosis of orthopaedic diseases.)
- ESVOT congress Patellar Groove Replacement Course. Vienna, Austria. September 26, 2013. (Presenter: - PGR: implants and instruments. - Surgical planning and evaluation of limb malalignment)
- ESVOT congress Double Pelvic Osteotomy Course. Vienna, Austria. September 27, 2013. (Presenter: - Surgical anatomy. - Instrumentation for DPO. - Management of complications, case based.)
- ESVOT congress seminar on hip dysplasia. Vienna, Austria. September 28, 2013
- SCIVAC Surgical wetlab “All About Cruciate”, Cremona, Italy. November 21-22, 2013. (Instructor)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: Sport dogs orthopedics and traumatology”. Cremona, Italy. November 23-24, 2013
- SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. February 19-21, 2014 (Presenter)
- Meeting of the veterinary association of Modena and Reggio Emilia cities on pediatric orthopedics. Modena, Italy, April 27, 2014 (Full day presenter)

- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) Orthofun congress: Speaker Michael Conzemius. Lecce, Italy. May 1-4, 2014
- AO masterclass course on advanced corrective osteotomies: rear limb and patellar luxation. Cremona, May 19-21, 2014 (Table instructor)
- SCIVAC International Multisession Congress. Rimini, Italy. May 29-June 1, 2014 (Presenter: Total knee replacement, prosthesis design and clinical application)
- European School for Advanced Veterinary Studies (ESAVS) Orthopedic integration course. Cremona, Italy. September 16-19, 2014. (Presenter)
- SCVI (Italian Society of Vet. Surgery) meeting on: Traumatic injuries in working dogs. Cremona, Italy. September 20-21, 2014
- ACVS (American College of Veterinary Surgeons) annual meeting. San Diego, USA. October 15-18, 2014 (Presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Minimally invasive surgery in veterinary orthopedics and traumatology". Cremona, Italy. November 22-23, 2014
- Fixin Double Pelvic Osteotomy Course. Minimally Invasive Surgery Center, Caceres, Spain. February 14-15, 2015. (Presenter: - Early diagnosis of Hip Dysplasia. - Surgical anatomy. - Instrumentation for DPO. – Complications after DPO.)
- SCIVAC Double Pelvic Osteotomy Course. Cremona Italy. February 28 – March 1, 2015. (Presenter: - Early diagnosis of Hip Dysplasia. - Surgical anatomy. - Instrumentation for DPO. – Complications after DPO.)
- SCVI (Italian Society of Vet. Surgery) meeting on: Neonatal surgery. Cremona, Italy. March 1, 2015. (Presenter: Congenital orthopaedic diseases)
- SINVET-SCIVAC International Congress "Veterinary Neurology in 2015: from clinical assessment to advanced neurosurgery". Verona, Italy. March 27-29, 2015
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Complications in orthopedics and traumatology, how to manage and avoid them". Cremona, Italy. April 18-19, 2015 (Presenter: "Complications in hip surgery")
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Pediatric orthopaedics and traumathology". Cremona, Italy. October 10-11, 2015 (Presenter: "Cruciate ligament rupture in growing dogs: diagnosis and treatment")
- SCIVAC Regional meeting "Introduction to pediatric orthopaedics" Padova, Italy. October 18, 2015 (Presenter)
- SCIVAC Regional meeting "Introduction to pediatric orthopaedics" Genova, Italy. November 8, 2015 (Presenter)
- SINVET (Italian Society of Veterinary Neurology) meeting "Cranial and spinal diseases, from diagnosis to treatment". Cremona, Italy. November 28-29, 2015
- SCIVAC Double Pelvic Osteotomy Course. Cremona Italy. February 27 –28, 2016. (Presenter: -Surgical anatomy. - Instrumentation for DPO. – Outcome after DPO.)
- SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. March 9-11, 2016 (Presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Research and innovations in veterinary orthopaedics and traumathology". Cremona, Italy. April 9-10, 2016 (Presenter: "Bilateral custom total knee replacement in a toy poodle")
- Kyon Symposium: Innovations in veterinary orthopedics and trauma, Zurich, Switzerland. April 22-24, 2016 (Presenter: Patellar groove replacement and corrective osteotomies)
- European School for Veterinary Postgraduate Studies (ESVPS) Orthopedic integration course. Cremona, Italy. April 26-29, 2016. (Presenter)
- AO masterclass course on advanced corrective osteotomies: rear limb and patellar luxation. Cremona, May 2-4 May, 2016 (Table instructor)

- SCIVAC Regional meeting “Introduction to pediatric orthopaedics” Cascina, Pisa, Italy. September 18, 2016 (Presenter)
- ACVS (American College of Veterinary Surgeons) surgery summit. Seattle, WA, USA. October 5-8, 2016 (Presenter)
- SCVI (Italian Society of Vet. Surgery) meeting on: Reconstructive surgery of head, neck and chest wall. Cremona, Italy. November 5-6, 2016
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Limb deformities, diagnosis and treatment”. Cremona, Italy. November 12-13, 2016 (Presenter: “Terminology and definition of limb deformities”)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Critical decisions in orthopedics”. Cremona, Italy. April 8-9, 2017 (Presenter: “Priorities in patients with multiple diseases”)
- ESAVS (European School for Advanced Veterinary Studies) Orthopedic itinerary: part II, hindlimb. May 8-11, 2017. (Presenter)
- AOVET Course Masters in Small Animals- Tibial Plateau Leveling Osteotomy (TPLO). Lisbon, Portugal. May, 26-27, 2017. (presenter and Co-chair of the course).
- Purina Veterinary Conference, Moscow, Russia. Organized by Purina. Moscow, Russia. September 8-9, 2017. (Presenter)
- Kyon Course “Treatment of cruciate ligament failure with TPLO”. Organized by Kyon. Moscow, Russia. September 11, 2017. (Presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: “Limb salvage strategies”. Cremona, Italy. October 21-22, 2017 (Presenter)
- AOVET Course Masters in Small Animals—Toy breed dog traumatology. Singapore. October 25,26, 2017. (Presenter)
- AOVET Course Masters in Small Animals—Tibial Plateau Leveling Osteotomy (TPLO). Singapore. October 27,28, 2017. (Presenter)
- Fixin Symposium. Venice, Italy. November 9-11, 2017. (Presenter)
- 6th BAVOT Annual Congress (Bulgarian Association of Veterinary Orthopaedics and Traumatology). Sofia, Bulgaria. November 18-19, 2017. (Presenter)
- VOG (Veterinary Orthopaedic Group) Fixin DPO (Double Pelvic Osteotomy) course. Opatija, Croatia. December 1, 2017. (Presenter)
- VOG (Veterinary Orthopaedic Group) Fixin TPLO (Tibial Plateau Leveling Osteotomy) course. Opatija, Croatia. December 2, 2017. (Presenter)
- Kyon TPLO (Tibial Plateau Leveling Osteotomy) course. Zurich, Switzerland. December 8, 2017. (Presenter)
- Kyon THR (Total Hip Replacement Course) course. Cremona, Italy. January 22-24, 2018. (Presenter)
- Vitcone locking pate system presentation. Bologna, Italy. February 10, 2018.
- Milano VetExpo. Milano, Italy. March 10-11. 2018
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting on shoulder pathologies. “The shoulder: a still mysterious joint”. Cremona, Italy. March 24-25, 2018 (Presenter)
- Kyon Symposium: Innovations in veterinary orthopedics and trauma, Zurich, Switzerland. April 20-22, 2018 (Presenter: Zurich Total Hip Replacement: 6th generation implants)
- ESAVS (European School for Advanced Veterinary Studies) Orthopedic itinerary: part II, hindlimb. Cremona, Italy. May 9-13, 2018. (Presenter)
- SCIVAC Practical course: all about patellar luxation. Cremona, Italy. April 26-28-2018 (Presenter)
- VOG (Veterinary Orthopaedic Group) Fixin Hindlimb corrective osteotomies course. Opatija, Croatia. June 8-9, 2018. (Presenter)
- SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. July 11-13, 2018 (Presenter)

- Kyon Proximal Abducting Ulna Osteotomy (PAUL) course. Zurich, Switzerland. July 21, 2018 (Presenter)
- SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. July 11-13, 2018 (Presenter)
- WVOC (World Veterinary Orthopaedic Congress) organized by ESVOT and VOS. Barcelona, Spain. September 13-15 (Presenter)
- AOVET Principle course on internal fixation. Cremona, Italy. October 16-18, 2018. Cremona, Italy. (Presenter)
- AOVET Surgical wetlab on fracture management. Cremona, Italy. October 19-20, 2018. Cremona, Italy. (Presenter)
- AMVAC annual meeting. Sinaia, Romania. November 8-10, 2018. (Presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting on minimally invasive and prosthetic surgery. Cremona, Italy. November 17-18, 2018.
- SCIVAC Course: Articular and periarticular surgeries. Cremona, Italy. February 14-16, 2019 (Presenter)
- AOVET Master course: How to avoid, recognize and manage complications in small animal fracture management. Cremona, Italy. April 1-3, 2019. Cremona, Italy. (Presenter)
- SCVI (Italian Society of Soft Tissue Veterinary Surgery) meeting on: Advanced traditional and minimally invasive surgery. Cremona, Italy. April 6-7, 2019
- Kyon Tibial Plateau Leveling Osteotomy (TPLO) course. Zurich, Switzerland. April 26, 2019 (Presenter)
- Kyon Patellar Groove Replacement (PGR) course. Zurich, Switzerland. April 27, 2019 (Presenter)
- ESAVS (European School for Advanced Veterinary Studies) Orthopedic itinerary: part II, hindlimb. Cremona, Italy. May 1-5, 2019. (Presenter)
- Kyon Proximal Abducting Ulna Osteotomy (PAUL) course. Zurich, Switzerland. May 18, 2019 (Presenter)
- SCIVAC International Multisession Congress. Rimini, Italy. May 24-26, 2019 (Presenter)
- Kyon Tibial Plateau Leveling Osteotomy (TPLO) course. Zurich, Switzerland. June 21, 2019 (Presenter)
- ECVS Annual Scientific Meeting. Budapest, Hungary. July 4-6, 2019
- Intrauma Fixin principles of fracture treatment. Bologna, Italy. July 12, 2019
- Intrauma Fixin Tibial Plateau Leveling Osteotomy (TPLO) course. Bologna, Italy. July 13, 2019
- ESVOT Kyon Patellar luxation and Patellar Groove Replacement (PGR). Cremona, Italy. September 5, 2019
- ESVOT Fixin Advanced TPLO Course. Cremona, Italy. September 6, 2019
- ESVOT Seminar on advanced fracture treatment. Cremona, Italy. September 7, 2019
- Fixin Symposium. Turin, Italy. September 12-14, 2019. (Presenter)
- ECVSMR (European College of Sport Medicine and Rehabilitation) 1st annual meeting. Ghent, Belgium. September 20-21, 2019
- Asian Veterinary Orthopedic Conference (AVOC). Xi'an, China. October 23-25, 2019 (Presenter)
- AO Faculty Education Program Course. Madrid, Spain. November 1-2, 2019
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting on "Sporting dogs orthopedics and traumatology". Cremona, Italy. November 9-10, 2019. (Presenter)
- Kyon Patellar Groove Replacement (PGR) course. Zurich, Switzerland. November 15, 2019 (Presenter)
- Fixin course "Principles of fracture treatments in small animals". Fredrikstad, Norway. January 17-17, 2020. (Presenter)
- Kyon Tibial Plateau Leveling Osteotomy (TPLO) course. Cremona, Italy. January 27, 2020 (Presenter)
- Vets & Clinic webinar on fracture treatment in general practice. June 24, 2020 (Presenter)
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting on Articular fractures. Webinar. June 27, 2020. (Presenter)
- SCVI (Italian Society of Soft Tissue Veterinary Surgery) meeting on: New approaches in wound management. Webinar. July 11, 2020. (Presenter)
- SCVI (Italian Society of Soft Tissue Veterinary Surgery) meeting on: Surgery of the gastro-intestinal tract. Webinar. September 19, 2020

- Intrauma webinar on Advanced TPLO for correction of tibial deformities. October 14, 2020. (Presenter).
- AOVET Principle course on internal fixation. Cremona, Italy. October 26-28, 2020. Cremona, Italy. (Presenter)
- SCVI (Italian Society of Soft Tissue Veterinary Surgery) - SIONCOV (Italian Society of Soft Veterinary Oncology) webinar on: Limits in oncologic surgery. November 15, 2020
- SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting with Michael Kowaleski. Webinar. November 21, 2020
- SCIVAC Webinar on orthopedics in general practice. November 28, 2020. (Presenter)

PROFESSIONAL ACTIVITIES:

- ❑ Immediately after his degree in veterinary medicine, from the 1st October 2005, he did two years of internship at the Clinica Veterinaria Vezzoni, doing rotations in different fields of veterinary practice. He is full time employed in the same Hospital since the 1st of January 2007.
- ❑ From August 4th to August 17th 2008 he spent two weeks in North Grafton (MA, USA) as visitor at Tufts University Foster Hospital for Small Animals following the clinical activity of Professor Michael P. Kowaleski.
- ❑ From March 1st to April 14th 2012 he spent 6 weeks as visitor at Clinica Veterinaria San Marco in Padova, Italy, following the clinical activity of Dr. Tommaso Furlanello (D. ECVCP)
- ❑ From May to July 2013 weekly frequentation of Clinica Veterinaria Valdinievole in Monsummano Terme (PT) Italy, following the neurology clinical activity of Dr. Massimo Baroni (D. ECVN)
- ❑ From August 24th to September 4th 2015 he spent two weeks as visitor at the Veterinary Hospital of the University of Vienna following the clinical activity of Prof. Gilles Dupré (D. ECVS)
- ❑ From June 2019 is adjunct professor at the Specialization School in Veterinary Surgery of the University of Turin

SCIENTIFIC ASSOCIATIONS MEMBERSHIP:

- ❑ Società Culturale Italiana Veterinari per Animali da Compagnia (SCIVAC)
- ❑ Società Italiana di ortopedia e Traumatologia Veterinaria (SIOVET)
- ❑ Società di Chirurgia Veterinaria Italiana (SCVI)

- ❑ Società Culturale Italiana Veterinari per Animali da Compagnia (SCIVAC)
- ❑ European Society of Veterinary Orthopedics and Traumatology (ESVOT)
- ❑ AO Vet
- ❑ Accredited for hip and elbow dysplasia screening FSA (Fondazione Salute Animale)

LECTURES PRESENTED:

	<i>Date</i>	<i>Title of presentation</i>	<i>Type of meeting*</i>	<i>Name of meeting, location and organising group</i>
1	1.3.2008	Case report of radius lengthening in a Bernese mountain dog with elbow dysplasia	National	SIOVET (Italian veterinary orthopaedic society) meeting, Cremona, Italy. Organized by SIOVET
2	4.3.2009	Double Pelvic Osteotomy (DPO) as a treatment option for hip dysplasia in growing dogs: preliminary results	International	36 th Annual Conference of Veterinary Orthopedic Society. Steamboat Springs, Colorado, USA.. Organized by VOS
3	2.7.2009	Complication of Kyon THR in growing dogs VS adult dogs	International	ECVS 18 th Annual Scientific Meeting. Nantes, France. Organized by ECVS

4	21.11.2009	Pancarpal arthrodesis with palmar plating: preliminary experience	National	SIOVET (Italian veterinary orthopedic society) meeting, Cremona, Italy. Organized by SIOVET
5	25.1. 2010	Cranial Cruciate Ligament Rupture: Differential diagnosis	International	SCIVAC (Italian Veterinary Association) International wetlab "All About Cruciate", Cremona, Italy. Organized by SCIVAC
6	26.1.2010	TTA Planning	International	SCIVAC (Italian Veterinary Association) International wetlab "All About Cruciate", Cremona, Italy. Organized by SCIVAC
7	13.3.2010	ALPS, Advanced Locking Plate System: principles, application technique and errors.	National	SIOVET (Italian veterinary orthopedic society) meeting, Cremona, Italy. Organized by SIOVET
8	28.5.2010	THR in growing dogs: higher risk than in adults?	National	SCIVAC (Italian Veterinary Association) International Annual Congress, Rimini, Italy. organized by SCIVAC
9	13.11.2010	Zurich cementless THR: risk factors	International	Kyon Symposium: Innovation in veterinary orthopedics and trauma, Zurich, Switzerland. Organized by KYON
10	27.11. 2010	Case report: A case of recurrence of IV° medial patellar luxation treated with patellar groove prosthesis	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting on: Practice management in veterinary orthopedics. Cremona, Italy. Organized by SIOVET
11	12.3.2011	Revision of THR luxations	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: Revision strategies in failures of orthopedic surgeries. Organized by SIOVET
12	12.5.2011	Pancarpal Arthrodesis with palmar surface plating: surgical technique and preliminary results.	International	AO Master Course on Distal Extremities. Cremona, Italy. Organized by AO Vet
13	29.5.2011	Asepsis in surgical theatre and preparation of the orthopedic patient	National	SCIVAC International Congress. Rimini, Italy. Organized by SCIVAC
14	8.10. 2011	Non surgical management of simple fractures	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting on: Simple and complex fractures: surgical and conservative management. Padova, Italy. Organized by SIOVET
15	February 22.24, 2012	Management of soft tissues in orthopedics and principles of asepsis	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
16		Orthopaedic instruments maintenance	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
17		Medial approach to the elbow	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
18		Caudal approach to the elbow with olecranon osteotomy	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
19		Medial approach to the distal humeral diaphysis	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
20		Cranio.lateral approach to the shoulder	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC

21	10.3.2012	Use of the patellar groove prosthesis in chronic patellar luxation cases	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "All about patellar luxation". Organized by SCIVAC
22	22.4.2012	Introduction to pediatric orthopedics and breed oriented approach	Regional	Meeting of Order of veterinarians of Brescia on "Pediatric surgery". Brescia, Italy
23		Early diagnosis and treatment of hip dysplasia	Regional	Meeting of Order of veterinarians of Brescia on "Pediatric surgery". Brescia, Italy
24		Early diagnosis and treatment of elbow dysplasia	Regional	Meeting of Order of veterinarians of Brescia on "Pediatric surgery". Brescia, Italy
25		Pediatric traumatology	Regional	Meeting of Order of veterinarians of Brescia on "Pediatric surgery". Brescia, Italy
26		Treatment of cranial cruciate ligament rupture in growing dogs	Regional	Meeting of Order of veterinarians of Brescia on "Pediatric surgery". Brescia, Italy
27	1.12.2012	Zurich THR plan for surgery, select the implants	International	Kyon Total Hip Replacement course. Munich, Germany, organized by Kyon and University of Munich
28	1.12.2012	Zurich THR: postoperative radiographs, postoperative care and rechecks	International	Kyon Total Hip Replacement course. Munich, Germany, organized by Kyon and University of Munich
29	2.12.2012	Challenging Zurich THR cases	International	Kyon Total Hip Replacement course. Munich, Germany, organized by Kyon and University of Munich
30	15.3.2013	Patellar Groove Replacement: rationale, surgery and clinical outcome	International	VOS KYON Drylab on "Corrective osteotomies with Advanced Locking Plate System and Patellar Groove Replacement (PGR) in dogs. Canyons Resort, Park City, Utah, USA. Organized by Kyon and VOS
31	13.4.2013	Preliminary experience with the use of BMPs in traumatology	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Toy breed dogs orthopedics and traumatology". Cremona, Italy. Organized by SIOVET
32	14.4.2013	Arthrodesis in toy breed dogs	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Toy breed dogs orthopedics and traumatology". Cremona, Italy. Organized by SIOVET
33	6.7.2013	Use of the Kyon revision cup for treatment of acetabular cup loosening: surgical technique and clinical application in 30 cases	International	ECVS Annual Scientific Meeting. Rome, Italy. Organized by ECVS
34	20.9.2013	Use of bandages in fracture treatment	National	SCIVAC national congress "Rational approach to the orthopaedic patient". Montesilvano (PE), Italy
35	21.9.2013	Breed oriented orthopaedic approach	National	SCIVAC national congress "Rational approach to the orthopaedic patient". Montesilvano (PE), Italy
36	21.9.2013	Early diagnosis of orthopaedic diseases	National	SCIVAC national congress "Rational approach to the orthopaedic patient". Montesilvano (PE), Italy
37	26.9.13	PGR: implants and instruments	International	ESVOT Congress course: Patellar Groove Replacement. Vienna, Austria. September 27, 2013
38		Surgical planning and evaluation of limb malalignment	International	ESVOT Congress course: Patellar Groove Replacement. Vienna, Austria.

39	27.9.2013	Surgical Anatomy	International	ESVOT Congress course: Double Pelvic Osteotomy Course. Vienna, Austria.
40		Surgical Instrumentation	International	ESVOT Congress course: Double Pelvic Osteotomy Course. Vienna, Austria.
41		Management of complications, case based	International	ESVOT Congress course: Double Pelvic Osteotomy Course. Vienna, Austria.
42	February 19-21, 2014	Management of soft tissues in orthopedics and principles of asepsis	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
43		Bandages	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
44		Medial approach to the elbow	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
45		Lateral approach to the elbow	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
46		Minimally invasive cranio-lateral approach to the shoulder	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
47		Cranio-lateral approach to the shoulder with acromion osteotomy	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
48	April 27, 2014	Introduction to pediatric orthopedics	Regional	Meeting of the veterinary association of Modena and Reggio Emilia cities on pediatric orthopedics. Modena, Italy
49		Early Diagnosis of Hip Dysplasia	Regional	Meeting of the veterinary association of Modena and Reggio Emilia cities on pediatric orthopedics. Modena, Italy
50		Early Treatment of Hip Dysplasia	Regional	Meeting of the veterinary association of Modena and Reggio Emilia cities on pediatric orthopedics. Modena, Italy
51		Early Diagnosis of Elbow Dysplasia	Regional	Meeting of the veterinary association of Modena and Reggio Emilia cities on pediatric orthopedics. Modena, Italy
52		Early Treatment of Elbow Dysplasia	Regional	Meeting of the veterinary association of Modena and Reggio Emilia cities on pediatric orthopedics. Modena, Italy
53		Growth plates disturbances	Regional	Meeting of the veterinary association of Modena and Reggio Emilia cities on pediatric orthopedics. Modena, Italy
54		OCD treatment	Regional	Meeting of the veterinary association of Modena and Reggio Emilia cities on pediatric orthopedics. Modena, Italy
55		Cranial cruciate ligament rupture in growing dogs	Regional	Meeting of the veterinary association of Modena and Reggio Emilia cities on pediatric orthopedics. Modena, Italy

56		Pediatric traumatology	Regional	Meeting of the veterinary association of Modena and Reggio Emilia cities on pediatric orthopedics. Modena, Italy
57	May 30, 2014	Total knee replacement, prosthesis design and clinical application	International	SCIVAC International Multisession Congress. Rimini, Italy
58	September 16-19, 2014	Breed oriented approach	National	European School for Advanced Veterinary Studies (ESAVS) Orthopedic integration course. Cremona, Italy
59		Early diagnosis of orthopedic diseases	National	European School for Advanced Veterinary Studies (ESAVS) Orthopedic integration course. Cremona, Italy
60		Cerclage wire: principles and application technique	National	European School for Advanced Veterinary Studies (ESAVS) Orthopedic integration course. Cremona, Italy
61		Principles of articular fractures management	National	European School for Advanced Veterinary Studies (ESAVS) Orthopedic integration course. Cremona, Italy
62		Coxarthrosis: diagnosis and treatment	National	European School for Advanced Veterinary Studies (ESAVS) Orthopedic integration course. Cremona, Italy
63		Bandages and splints in orthopedics	National	European School for Advanced Veterinary Studies (ESAVS) Orthopedic integration course. Cremona, Italy
64	15.10.2014	Surgical instrumentation for DPO	International	ACVS annual meeting wetlab: Double Pelvic Osteotomy Course. San Diego, USA
65		Complications of DPO	International	ACVS annual meeting wetlab: Double Pelvic Osteotomy Course. San Diego, USA
66	February 14-15, 2015	Early diagnosis of Hip Dysplasia	International	Fixin Double Pelvic Osteotomy Course. Minimally Invasive Surgery Center, Caceres, Spain
67		Surgical Anatomy	International	Fixin Double Pelvic Osteotomy Course. Minimally Invasive Surgery Center, Caceres, Spain
68		Surgical Instrumentation	International	Fixin Double Pelvic Osteotomy Course. Minimally Invasive Surgery Center, Caceres, Spain
69		Complications after DPO	International	Fixin Double Pelvic Osteotomy Course. Minimally Invasive Surgery Center, Caceres, Spain
70	February 28-March 1, 2015	Early diagnosis of Hip Dysplasia	International	SCIVAC Double Pelvic Osteotomy Course. Cremona Italy
71		Surgical Anatomy	International	SCIVAC Double Pelvic Osteotomy Course. Cremona Italy
72		Surgical Instrumentation	International	SCIVAC Double Pelvic Osteotomy Course. Cremona Italy
73		Complications after DPO	International	SCIVAC Double Pelvic Osteotomy Course. Cremona Italy
74	March 1, 2015	Congenital orthopedic diseases	National	SCVI meeting on: Neonatal surgery. Cremona, Italy

75	April 19, 2015	Complications in hip surgery	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Complications in orthopedics and traumatology how to manage and avoid them". Cremona, Italy. Organized by SIOVET
76	October 11, 2015	Cruciate ligament rupture in growing dogs: diagnosis and treatment	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Pediatric orthopaedics and traumathology". Cremona, Italy. Organized by SIOVET
77	October 18, 2015	Introduction to pediatric orthopedics	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Padova, Italy. Organized by SCIVAC regional delegation of Veneto.
78		Early Diagnosis of Hip Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Padova, Italy. Organized by SCIVAC regional delegation of Veneto.
79		Early Treatment of Hip Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Padova, Italy. Organized by SCIVAC regional delegation of Veneto.
80		Early Diagnosis of Elbow Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Padova, Italy. Organized by SCIVAC regional delegation of Veneto.
81		Early Treatment of Elbow Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Padova, Italy. Organized by SCIVAC regional delegation of Veneto.
82		Growth plates disturbances	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Padova, Italy. Organized by SCIVAC regional delegation of Veneto.
83		OCD treatment	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Padova, Italy. Organized by SCIVAC regional delegation of Veneto.
84		Cranial cruciate ligament rupture in growing dogs	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Padova, Italy. Organized by SCIVAC regional delegation of Veneto.
85		Pediatric traumatology	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Padova, Italy. Organized by SCIVAC regional delegation of Veneto.
86	November 8, 2015	Introduction to pediatric orthopedics	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Genova, Italy. Organized by SCIVAC regional delegation of Liguria.
87		Early Diagnosis of Hip Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Genova, Italy. Organized by SCIVAC regional delegation of Liguria.
88		Early Treatment of Hip Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Genova, Italy. Organized by SCIVAC regional delegation of Liguria.
89		Early Diagnosis of Elbow Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Genova, Italy. Organized by SCIVAC regional delegation of Liguria.
90		Early Treatment of Elbow Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Genova, Italy. Organized by SCIVAC regional delegation of Liguria.
91		Growth plates disturbances	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Genova, Italy. Organized by SCIVAC regional delegation of Liguria.

92		OCD treatment	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Genova, Italy. Organized by SCIVAC regional delegation of Liguria.
93		Cranial cruciate ligament rupture in growing dogs	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Genova, Italy. Organized by SCIVAC regional delegation of Liguria.
94		Pediatric traumatology	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Genova, Italy. Organized by SCIVAC regional delegation of Liguria.
95	February 27, 2016	Surgical anatomy for pelvic osteotomies	National	SCIVAC Double Pelvic Osteotomy Course. Cremona Italy
96		Instrumentation for DPO	National	SCIVAC Double Pelvic Osteotomy Course. Cremona Italy
97	February 28, 2016	Outcome after DPO	National	SCIVAC Double Pelvic Osteotomy Course. Cremona Italy
98	March 9-11, 2016	Management of soft tissues in orthopedics and principles of asepsis	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
99		Bandages	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
100		Medial approach to the elbow	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
101		Lateral approach to the elbow	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
102		Minimally invasive cranio-lateral approach to the shoulder	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
103		Cranio-lateral approach to the shoulder with acromion osteotomy	National	SCIVAC Course: Surgical approaches and reduction techniques in veterinary traumatology. Cremona, Italy. Organized by SCIVAC
104	April 9, 2016	Bilateral custom total knee replacement in a toy poodle	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Research and innovations in veterinary orthopaedics and traumathology". Cremona, Italy. Organized by SIOVET
105	April 22, 2016	Patellar groove replacement and corrective osteotomies	International	Kyon Symposium: Innovations in veterinary orthopedics and trauma, Zurich, Switzerland. Organized by Kyon
106	April 26-29, 2016	Breed oriented approach	National	European School for Postgraduate Veterinary Studies (ESVPS) Orthopedic integration course. Cremona, Italy
107		Early diagnosis of orthopedic diseases	National	European School for Postgraduate Veterinary Studies (ESVPS) Orthopedic integration course. Cremona, Italy
108		Cerclage wire: principles and application technique	National	European School for Postgraduate Veterinary Studies (ESVPS) Orthopedic integration course. Cremona, Italy

109		Principles of articular fractures management	National	European School for Postgraduate Veterinary Studies (ESVPS) Orthopedic integration course. Cremona, Italy
110		Coxarthrosis: diagnosis and treatment	National	European School for Postgraduate Veterinary Studies (ESVPS) Orthopedic integration course. Cremona, Italy
111		Bandages and splints in orthopedics	National	European School for Postgraduate Veterinary Studies (ESVPS) Orthopedic integration course. Cremona, Italy
112	September 18, 2016	Introduction to pediatric orthopedics	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Cascina, Pisa, Italy. Organized by SCIVAC regional delegation of Tuscany.
113		Early Diagnosis of Hip Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Cascina, Pisa, Italy. Organized by SCIVAC regional delegation of Tuscany.
114		Early Treatment of Hip Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Cascina, Pisa, Italy. Organized by SCIVAC regional delegation of Tuscany.
115		Early Diagnosis of Elbow Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Cascina, Pisa, Italy. Organized by SCIVAC regional delegation of Tuscany.
116		Early Treatment of Elbow Dysplasia	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Cascina, Pisa, Italy. Organized by SCIVAC regional delegation of Tuscany.
117		Cranial cruciate ligament rupture in growing dogs	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Cascina, Pisa, Italy. Organized by SCIVAC regional delegation of Tuscany.
118		OCD treatment	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Cascina, Pisa, Italy. Organized by SCIVAC regional delegation of Tuscany.
119		Pediatric traumatology	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Cascina, Pisa, Italy. Organized by SCIVAC regional delegation of Tuscany.
120		Neonatal orthopedics	Regional	SCIVAC meeting "Orthopaedic diseases of growing dogs" Cascina, Pisa, Italy. Organized by SCIVAC regional delegation of Tuscany.
121	October 5, 2016	Review of Elbow Dysplasia & Indications for PAUL	International	ACVS surgery summit pregress wetlab: Prximal abducting Ulnar Osteotomy (PAUL) Course. Seattle, USA
122		PAUL Surgical Technique	International	ACVS surgery summit pregress wetlab: Prximal abducting Ulnar Osteotomy (PAUL) Course. Seattle, USA
123		PAUL Clinical Experience	International	ACVS surgery summit pregress wetlab: Prximal abducting Ulnar Osteotomy (PAUL) Course. Seattle, USA
124	October 8, 2016	Use of a Modified TPLO with Double Cut and Medial Crescentic Closing Wedge Osteotomy to Treat Dogs with Cranial Cruciate Ligament Rupture and Tibia Valga	International	ACVS surgery summit, Organized by American College of Veterinary Surgeons, Seattle, WA, USA
125	October 21, 2016	Radius and ulna fractures	National	AO Vet course: Principles of small animal fracture management. Organized by AO Vet. Cremona Italy.

126	November 12, 2016	Terminology and definition of limb deformities	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Limb deformities, diagnosis and treatment". Cremona, Italy. Organized by SIOVET
127	April 9, 2017	Priorities in patients with multiple diseases	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Critical decisions in orthopedics". Cremona, Italy. Organized by SIOVET
128	May 8, 2017	Legg-Calve-Perthes disease: Treatment strategies	International	ESAVS (European School for Advanced Veterinary Studies) Orthopedic itinerary: part II, hindlimb. Cremona, Italy. Organized by ESAVS
129	May 8, 2017	Hip Luxation: Diagnostics	International	ESAVS (European School for Advanced Veterinary Studies) Orthopedic itinerary: part II, hindlimb. Cremona, Italy. Organized by ESAVS
130	May 9, 2017	Cranio-lateral surgical approach to the hip joint	International	ESAVS (European School for Advanced Veterinary Studies) Orthopedic itinerary: part II, hindlimb. Cremona, Italy. Organized by ESAVS
131	May 9, 2017	Cruciate Rupture and Meniscal injuries: diagnostics	International	ESAVS (European School for Advanced Veterinary Studies) Orthopedic itinerary: part II, hindlimb. Cremona, Italy. Organized by ESAVS
132	May 9, 2017	Cruciate Rupture Treatment : Osteotomies	International	ESAVS (European School for Advanced Veterinary Studies) Orthopedic itinerary: part II, hindlimb. Cremona, Italy. Organized by ESAVS
133	May 11, 2017	Achilles tendon rupture and luxation of the superficial digital flexor tendon: pathogenesis and treatment	International	ESAVS (European School for Advanced Veterinary Studies) Orthopedic itinerary: part II, hindlimb. Cremona, Italy. Organized by ESAVS
134	May 11, 2017	Tarsal instability and treatment options	International	ESAVS (European School for Advanced Veterinary Studies) Orthopedic itinerary: part II, hindlimb. Cremona, Italy. Organized by ESAVS
135	May 26, 2017	TPLO, surgical approach step by step	International	AOVET Course Masters in Small Animals—Tibial Plateau Leveling Osteotomy (TPLO), Lisbon, Portugal. Organized by AO Vet
136	May 26, 2017	TPLO Clinical outcome	International	AOVET Course Masters in Small Animals—Tibial Plateau Leveling Osteotomy (TPLO), Lisbon, Portugal. Organized by AO Vet
137	May 27, 2017	TPLO, intraoperative complications, how to avoid and manage them	International	AOVET Course Masters in Small Animals—Tibial Plateau Leveling Osteotomy (TPLO), Lisbon, Portugal. Organized by AO Vet
138	May 27, 2017	TPLO and tibial deformities	International	AOVET Course Masters in Small Animals—Tibial Plateau Leveling Osteotomy (TPLO), Lisbon, Portugal. Organized by AO Vet
139	September 08, 2017	Treatment of OCD of the femoral condyle with autologous osteochondral transplant	International	Purina Veterinary Conference, Moscow, Russia. Organized by Purina
140	September 09, 2017	Our experience with TPLO	International	Purina Veterinary Conference, Moscow, Russia. Organized by Purina
141	September 09, 2017	Methods of treatment of fractures in young dogs	International	Purina Veterinary Conference, Moscow, Russia. Organized by Purina
142	September 11, 2017	Why and how dogs develop cruciate ligament rupture	International	Kyon Course "Treatment of cruciate ligament failure with TPLO". Moscow, Russia. Organized by Kyon.

293	July 13, 2019	TPLO surgical technique	National	Intrauma Fixin “Treatment of cruciate ligament failure with TPLO”. Bologna, Italy. Organised by Intrauma and University of Bologna

294	July 13, 2019	Complications of TPLO: how to avoid and manage them.	National	Intrauma Fixin "Treatment of cruciate ligament failure with TPLO". Bologna, Italy. Organised by Intrauma and University of Bologna
295	July 26, 2019	Cranial cruciate ligament rupture in puppies	National	Italian specialisation school in surgery. Turin, Italy. Organised by University of Turin.
296		Correction of angular limb deformities in growing dogs	National	Italian specialisation school in surgery. Turin, Italy. Organised by University of Turin.
297		Patellar groove replacement: indications in treatment of patellar luxation		
298	September 5, 2019	Approach to patellar luxation and underlying conditions	International	Patellar luxation treatment and Patellar Groove replacement (PGR) course. Cremona, Italy. Organized by ESVOT
299		PGR Rationale	International	Patellar luxation treatment and Patellar Groove replacement (PGR) course. Cremona, Italy. Organized by ESVOT
300		Radiographic evaluation and measurements for femur and tibia deformities associated to patellar luxation, medial and lateral	International	Patellar luxation treatment and Patellar Groove replacement (PGR) course. Cremona, Italy. Organized by ESVOT
301		Indications for Patellar Groove Replacement (PGR) vs Trochleoplasty	International	Patellar luxation treatment and Patellar Groove replacement (PGR) course. Cremona, Italy. Organized by ESVOT
302		Indications for Tibial Tuberosity Transposition (TTT) and surgical tips	International	Patellar luxation treatment and Patellar Groove replacement (PGR) course. Cremona, Italy. Organized by ESVOT
303		Indications for Distal Femoral Osteotomy (DFO) and surgical tips	International	Patellar luxation treatment and Patellar Groove replacement (PGR) course. Cremona, Italy. Organized by ESVOT
304		Indications for Proximal Tibial Osteotomy (PTO) and surgical tip	International	Patellar luxation treatment and Patellar Groove replacement (PGR) course. Cremona, Italy. Organized by ESVOT
305		Surgical planning for Patellar Groove Replacement	International	Patellar luxation treatment and Patellar Groove replacement (PGR) course. Cremona, Italy. Organized by ESVOT
306		Surgical technique for PGR	International	Patellar luxation treatment and Patellar Groove replacement (PGR) course. Cremona, Italy. Organized by ESVOT
307		Clinical experience, results & complications	International	Patellar luxation treatment and Patellar Groove replacement (PGR) course. Cremona, Italy. Organized by ESVOT
308	September 6, 2019	Diagnostic precision radiographs	International	Advanced TPLO Course. Cremona, Italy. Organized by Fixin and ESVOT
309		Excessive proximal tibial valgus correction + TPLO	International	Advanced TPLO Course. Cremona, Italy. Organized by Fixin and ESVOT
310		TPLO in small & micro dogs	International	Advanced TPLO Course. Cremona, Italy. Organized by Fixin and ESVOT
311	September 7, 2019	Challenges in the treatment of femoral head and neck fractures	International	Seminar on Advanced fracture treatment. Cremona, Italy. Organized by ESVOT

312	September 12, 2019	TPLO with correction of proximal tibial valgus	International	Fixin International Symposium. Turin, Italy. Organized by Intrauma
313	September 14, 2019	My experience with Clover TPLO plates	International	Fixin International Symposium. Turin, Italy. Organized by Intrauma
314	October 23, 2019	PAUL Surgical Planning on X-rays	International	AO Vet Course on Proximal abducting ulnar osteotomy (PAUL) for elbow dysplasia. Xi'an, China. Organized by AO Vet.
315		PAUL surgical technique	International	AO Vet Course on Proximal abducting ulnar osteotomy (PAUL) for elbow dysplasia. Xi'an, China. Organized by AO Vet.
316		Surgical planning for Patellar Groove Replacement	International	AO Vet Course on Patellar Groove Replacement (PGR) for patellar luxation. Xi'an, China. Organized by AO Vet.
317		Surgical technique for PGR	International	AO Vet Course on Patellar Groove Replacement (PGR) for patellar luxation. Xi'an, China. Organized by AO Vet.
318		PGR Clinical experience, results & complications	International	AO Vet Course on Patellar Groove Replacement (PGR) for patellar luxation. Xi'an, China. Organized by AO Vet.
319	October 24, 2019	Cruciate Disease: A Comprehensive approach to Orthopedic and Radiographic Examination	International	Asian veterinary Orthopedic Conference (AVOC). Xi'an, China. Organized by AVOC
320		Cruciate Disease: TPLO Surgery, an Overview	International	Asian veterinary Orthopedic Conference (AVOC). Xi'an, China. Organized by AVOC
321		Caudal cruciate injuries: treatment options	International	Asian veterinary Orthopedic Conference (AVOC). Xi'an, China. Organized by AVOC
322		Top Tips For Repairing Tibia Tuberosity Avulsion	International	Asian veterinary Orthopedic Conference (AVOC). Xi'an, China. Organized by AVOC
323	October 25, 2019	Biomechanical considerations in fracture management	International	AO Vet Course Complex Fracture Cases And Advanced Surgery. Xi'an, China. Organized by AO Vet.
324		Minimally Invasive Surgery: Humeral Condylar Fractures	International	Asian veterinary Orthopedic Conference (AVOC). Xi'an, China. Organized by AVOC
325		Minimally Invasive Surgery: Femoral Capital Physeal Fractures	International	Asian veterinary Orthopedic Conference (AVOC). Xi'an, China. Organized by AVOC
326		Patella Groove Replacement: Indications and Clinical Experience	International	Asian veterinary Orthopedic Conference (AVOC). Xi'an, China. Organized by AVOC
327		State of the Art in Total Hip Replacement	International	Asian veterinary Orthopedic Conference (AVOC). Xi'an, China. Organized by AVOC
328		Osteochondral Transfer Techniques: Indications and Results	International	Asian veterinary Orthopedic Conference (AVOC). Xi'an, China. Organized by AVOC
329	November 10, 2019	Treatment of superficial digital flexor tendon luxation with calcaneal tuberosity sulcoplasty	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) meeting: "Sporting dogs orthopedics and traumatology". Cremona, Italy. Organized by SIOVET
330	November 15, 2019	PGR Rationale	International	Kyon Patellar Groove replacement (PGR) course. Zurich, Switzerland. Organized by Kyon
331		PGR, surgical planning and evaluation of limb alignment	International	Kyon Patellar Groove replacement (PGR) course. Zurich, Switzerland. Organized by Kyon
332		Surgical technique	International	Kyon Patellar Groove replacement (PGR) course. Zurich, Switzerland. Organized by Kyon
333		Clinical experience, results & complications	International	Kyon Patellar Groove replacement (PGR) course. Zurich, Switzerland. Organized by Kyon

332	January 17, 2020	Patient evaluation and decision making in fracture treatment	International	Fixin course "Principles of fracture treatments in small animals". Fredrikstad, Norway. Organised by Fixin
333		Fracture biomechanics and long bone fracture treatment principles	International	Fixin course "Principles of fracture treatments in small animals". Fredrikstad, Norway. Organised by Fixin
334		Articular fracture treatment	International	Fixin course "Principles of fracture treatments in small animals". Fredrikstad, Norway. Organised by Fixin
335		From DCP to locking plates: principles of application	International	Fixin course "Principles of fracture treatments in small animals". Fredrikstad, Norway. Organised by Fixin
336	January 18, 2020	Open fractures treatment principles	International	Fixin course "Principles of fracture treatments in small animals". Fredrikstad, Norway. Organised by Fixin
337		Non unions: diagnosis and treatment options	International	Fixin course "Principles of fracture treatments in small animals". Fredrikstad, Norway. Organised by Fixin
338	January 27, 2020	Pathogenesis of cranial cruciate ligament rupture	International	Kyon Wetlab Course "Treatment of cruciate ligament failure with TPLO". Cremona, Italy. Organized by Kyon.
339		Radiographic planning for TPLO	International	Kyon Wetlab Course "Treatment of cruciate ligament failure with TPLO". Cremona, Italy. Organized by Kyon.
340		Implant design & instrumentation for TPLO	International	Kyon Wetlab Course "Treatment of cruciate ligament failure with TPLO". Cremona, Italy. Organized by Kyon.
341		Detailed description of the TPLO surgical technique	International	Kyon Wetlab Course "Treatment of cruciate ligament failure with TPLO". Cremona, Italy. Organized by Kyon.
342		Post-operative care, follow-up and outcome	International	Kyon Wetlab Course "Treatment of cruciate ligament failure with TPLO". Cremona, Italy. Organized by Kyon.
343		Intra and post-operative complications in TPLO	International	Kyon Wetlab Course "Treatment of cruciate ligament failure with TPLO". Cremona, Italy. Organized by Kyon.
344		TPLO and patellar luxation	International	Kyon Wetlab Course "Treatment of cruciate ligament failure with TPLO". Cremona, Italy. Organized by Kyon.
345		TPLO in complex condition: excessive TPA, tibial malalignment	International	Kyon Wetlab Course "Treatment of cruciate ligament failure with TPLO". Cremona, Italy. Organized by Kyon.
346	June 24, 2020	Fracture treatment in general practice	National	Vets & Clinics Webinar. Organised by Affinity Petcare
347	June 27, 2020	Distal extremities articular fractures	National	SIOVET (Italian Society of Vet. Orthopedics and Traumatology) webinar meeting on articular fractures. Organised by SIOVET
348	July 11, 2020	Treatment of open fractures	National	SCVI (Italian Society of Veterinary Surgery) meeting on: New approaches in wound management. Organised by SCVI
349	October 14, 2020	Correction of proximal tibial varus or valgus deformities with TPLO	National	Intrauma TPLO Webinar. Organised by Intrauma
350	October 26, 2020	Decision making in fracture treatment and fracture patient assessment score	National	AO principle course on internal fixation. Cremona, Italy. Organized by AO Vet
351		Principles and application techniques for cerclage wires and intramedullary pins	National	AO principle course on internal fixation. Cremona, Italy. Organized by AO Vet
352		Principles and application techniques for bridging plate	National	AO principle course on internal fixation. Cremona, Italy. Organized by AO Vet

353	October 27, 2020	Treatment of growth plates fractures	National	AO principle course on internal fixation. Cremona, Italy. Organized by AO Vet
354	October 28, 2020	Treatment of open fractures	National	AO principle course on internal fixation. Cremona, Italy. Organized by AO Vet
355		Bandages	National	AO principle course on internal fixation. Cremona, Italy. Organized by AO Vet
356		Osteomyelitis: diagnosis and prevention	National	AO principle course on internal fixation. Cremona, Italy. Organized by AO Vet
357	November 26, 2020	Strategies of infection prevention and control in surgical activity	National	ATAV (Italian Association of Veterinary Technicians) advanced webinar course. Organised by ATAV.
358	November 28, 2020	Orthopedics in general practice: interactive clinical cases	National	SCIVAC (Italian Veterinary Association) webinar. Organised by SCIVAC
